Dear Families,

In terms of calendars, the end of the school year is quickly approaching. This is a very exciting time at school, as children continue to acquire vital information and education preparing them for the next year in school. In addition to the final segment of learning, they are participating in field trips and important ceremonies to recognize their work throughout the year and the growth that has occurred for them as individual students. Support your child in finishing this 2011-2012 school year by attending each day of the remainder of the school year!

We thank you for the opportunity to work with your child/children this year. We understand that each year brings about a new learning experience for us as staff and for your children. We especially wish our outgoing 5th grade students a great learning setting in their school next year. We are sorry to see them leave us, but realize they are on a path of learning and growing, and wish them much success as they develop into young citizens of the Yuba City community.

Shady Creek Fundraising

Dear Parents/Guardians:

As you may know, each year the 5th grade students at Bridge Street School have the opportunity to attend Shady Creek Outdoor School for several school days. This wonderful learning opportunity provides valuable skills and life-long knowledge obtained through various classes and activities.

In order to continue this excellent tradition of learning, we find it necessary to raise funds in an effort to keep up with the increasing costs of the trip. We are planning several fund-raisers to take place throughout each school year to assist with this need. As visiting Shady Creek is a benefit for all students, we expect that all students will play a direct role in fund-raising efforts. Fundraisers will include many fun activities that will also teach students responsibility and value of work.

Beginning next year, in addition to fundraising, we are asking all families of students who attend Shady Creek to pay \$75.00 towards the cost of their child's tuition that costs between \$196.00 and \$216.00.

In addition to fundraising, we welcome all donations to the Shady Creek general fund for Bridge Street students. Families are encouraged to participate in fundraisers and we welcome any ideas for increasing our funds for Shady Creek. Information about specific fundraisers will be provided. Thank you in advance for your participation and efforts toward this cause.

Sincerely,

Bridge Street Staff
