Grad Night June 1, 2012

Grad Night is a commitment that started when your student was a freshman. Each class starts fundraising as freshman and continues throughout their senior year. Volunteers are needed to coordinate all of these activities. Grad Night and Prom are two of the most dangerous evenings for high school students, we want to make sure they are safe. We need new ideas and parents to assist with these programs. If you would like to volunteer or need additional information please the front office.

How do I graduate?
